

A Halloween-themed poster illustration. At the top, a dark blue night sky with a large, pale full moon is filled with several black bats in flight. Silhouettes of bare, spooky trees frame the scene. In the center, four yellow skeletons are dancing on a dark, rounded mound. Below them, the words "HALLOWEEN" and "POT-LUCK PARTY" are written in large, white, distressed, all-caps font. The "POT-LUCK PARTY" text is flanked by two white arrowheads pointing outwards. Below the title, a paragraph of red text invites guests to bring costumes and creative dishes. At the bottom, two grey tombstones with dark outlines are positioned on either side of a small, green, stylized tree. The left tombstone contains event details, and the right one contains the venue's name and contact information.
